

Certificate CN17/30121

The management system of

# Merix Printed Circuits Technology Limited

Unified Social Credit Code: 9144130072475414XG  
3<sup>rd</sup> Industrial Zone of Desay, Chenjiang,  
Huizhou City, Guangdong Province, P.R. China

has been assessed and certified as meeting the requirements of

## GB/T 23331-2012/ ISO 50001:2011 RB/T101-2013

For the following activities

**In the process of manufacture of PCB (Printed Circuit Board),  
electricity is the main energy, Energy management activities and  
energy-saving technology applications involve energy procurement,  
receipt, storage, processing, conversion, transportation and utilization.**

For the detail information regarding boundaries and comprehensive energy consumption, please see the appendix with the same number of this certificate and it is the component of this certificate.

This certificate is valid from 12/01/2017 until 11/01/2020
